Summary:

Full-Stack Web Developer with a strong analytical foundation in data management and systems audit. Proficient in Next.js, React, Node.js, TypeScript, and modern database architectures (PostgreSQL, MongoDB, SQLite). Experienced in building scalable web applications, RESTful APIs, and responsive user interfaces. Proven track record in problem-solving, structured code delivery, and cross-functional project execution.

Skills:

Frontend: React, Next.js, Tailwind CSS, HTML5, CSS3, JavaScript ES6+
Backend & DB: Node.js, Express, Python, Flask, PostgreSQL, MongoDB, SQLite, Prisma ORM
Tools: Git, GitHub, VS Code, Vercel
Transferable Skills: Analytical Skills, Problem-Solving, Attention to Detail, Communication (written and verbal), Client Service, Time Management, Organization and Teamwork.

Courses:

2026

ITIDA & TIEC Freelancing Program (MCIT Egypt)

Government-backed intensive freelancing initiative focused on Full-Stack Web Development, international client deliverables, and professional gig delivery.

2025

Full stack development (from: MTec Software)
React.js, Next.js

2024

CS50's Introduction to Computer Science (Harvard -online):
C, Arrays, Algorithms, Memory, Data Structures, Python, Artificial Intelligence, SQL, HTML, CSS, JavaScript, Flask, Cybersecurity.

Featured Projects:

Project 1: Lumière — Full-Stack Restaurant Management System
http://lumiere-nextjs-fullstack.vercel.app/
Stack: Next.js 16, TypeScript, React, Tailwind CSS, Prisma ORM, PostgreSQL, Auth.js, Zod
Key Features: Built a multi-language (7 locales) restaurant management platform featuring an admin dashboard, real-time ordering workflow, dynamic menu filtering, interactive shopping cart, and automated order tracking.

Further Development:

Continuously designing and deploying scalable full-stack web applications, applying software engineering best practices, clean code standards, and modern architectural patterns.

Work Experiences:

2020 – Present:

Exclusive tours Cairo, Egypt (Transportation service):
Provided transportation services to clients, demonstrating strong time management, organizational skills, and the ability to work independently and as part of a team to ensure seamless client experiences.

2018- 2019:

Accountant & Data Analyst in Chinese restaurant near the Pyramids, Giza, Egypt.

- Handled financial records, invoicing and payroll, demonstrating proficiency in financial data management.
- Improved efficiency by automating repetitive tasks using Microsoft Excel, showcasing analytical and problem-solving skills.

2017:

Student Assistant & Data Entry & Archiving Specialist

Library near Mansoura University, Mansoura, Egypt

Organized, digitized, and managed scientific topics, demonstrating good attention to detail and data management skills.

2011-2016:

Pharmacist Assistant & Operations Supervisor

"Fatma Farouk Radwan" pharmacy, Mansoura, Egypt.

Managed inventory systems, customer checkout operations, and trained new pharmacy staff on POS software and inventory workflows.

2004 – 2011:
